

## REPUBLICAN WOMEN OF GREGG COUNTY

August 2024 Newsletter: Vol 3. NO. 8

Region 5 District 1

### The President's Talking Point

July brought us emotions, both low and high. The assassination attempt on a presidential candidate shocked many. Trump was suddenly seen as a "Real Bad Ass," "Warrior President," "Strongest Man Alive," "The Right Man for the Right Time." The hate talk died down. But then came the shock and awe of the four-day Republican National Convention thrilling Republican, Democrats, Liberal and the Undecided. The convention's daily themes were 1<sup>st</sup> Unity, 2<sup>nd</sup> A Safe America, 3<sup>rd</sup> A Strong America and finally, 4<sup>th</sup> the Vision for America under President Donald J Trump.

Here are a few conversation lines you can use for any voter who chooses not to vote at all or for Biden.

1. A non-vote means you have not had enough of this decline and chaos America is feeling
2. A non-vote means a vote for Biden and Harris
3. A nonvote means you do not really value the freedom to vote that other Americans died to maintain and millions around the world wish the people of their country could vote for their leaders
4. A non-vote means you are not practicing your Duty and are you really an American Patriot?
5. A non-vote means you do not want to be a part of the solution to bring positive change to America

We have provided talking points on Abortion, Bidenomics, Border Security.

Talking points text/emails for August is **Foreign Affairs**. See example. Flood your social media.

BIDEN'S FOREIGN POLICY

**Voting is the most patriotic action you can display. Vote like your country depended on it.**

"When America is united, confident, and committed to our principles, it will never fail. Today and together, with Love for our Country, Faith in our People, and Trust in God's Good Grace, we will Make America Great Again!"

## CAMPAIGN ACTIVITIES

Donna Kay Hallonquist

Hello ladies. What a month!! I thought it would slow down after the State Convention but boy was I wrong. I went to Mt Pleasant and saw the movie *The War on Truth*. For three years, the Federal Government has waged a war on truth. This is heartbreaking what they have done to these people all because they support Donald J Trump. This must be shown all over the world. The special guest was Congressman Louie Gohmert. Our hours for June 2024 were 866 and for YTD total is 6,720.

## Membership Report

Tricia Oxtan - 2nd Vice President

"I can do things you cannot, you can do things I cannot;  
together we can do great things."

Mother Teresa

Happy August! The end of summer and back to school time is upon us! The 2024 Election is also just around the corner.

We are happy to have 3 new members join our club at the last membership luncheon. They are **Linda Bobo, Michelle Herring, and Barbara Jereb**. We look forward to working with each of these conservative women. We are pleased to have the following guests: **County Judge Bill Stoudt, John Youngberg, Phil Cook, Linda Barly, Erich Bui, and Mary Hanley**. If any of our guests would like to join RWGC, please contact Tricia Oxtan at [triciaoxton@yahoo.com](mailto:triciaoxton@yahoo.com).

Our goal is to have 60 members and we currently have 54 members and 11 associate members! Please invite your friends and family members to visit our next luncheon or any of the other activities we have planned for August and beyond.

On July 13th, an assassination attempt was made on our Republican Presidential Nominee Donald J. Trump. This event should be one that pulls everyone together and makes us work even harder to make sure that we **Make America Great Again** by re-electing President Trump. It is vital that we stay vigilant in our efforts to bring Trump back to the White House now more than ever. Please put President Trump, Melania and their family on your prayer list seeking divine protection and thanking God for the wonderful miracle that kept President Trump safe.

# In the Spotlight!

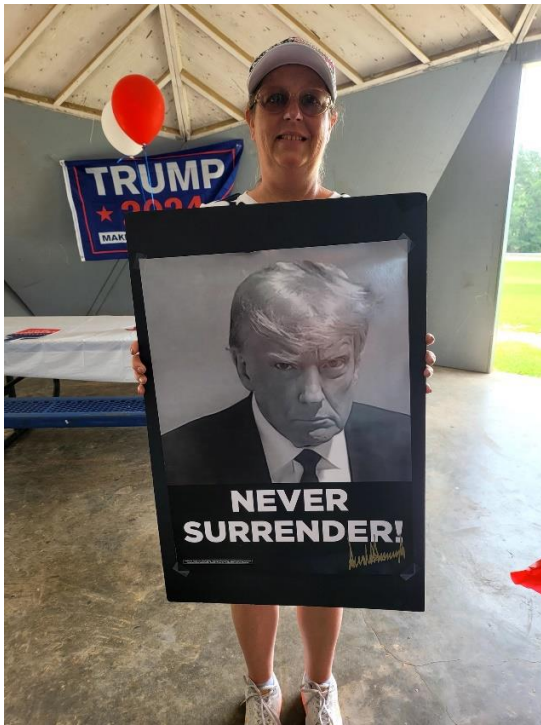

Rachael Moore, a resolute and enthusiastic member of the Republican Women's Club of Gregg County, has been actively involved in conservative initiatives for years. As a Gregg County delegate to the Texas Republican Party in 2016, 2024 writing propositions placed on the RPT platform, and as an Alternate Delegate for the 2024 National Delegate for SD #1 and one of only two representatives from Gregg County, Rachael brings a fresh perspective and unwavering commitment to our values. A devoted constitutional conservative, she has significantly contributed through her volunteer work in the Republican party and pro-life initiatives as well as her artistic achievements, including winning the Congressional Art Competition in 2016. She is a Precinct chair, member of the Young Republicans, and RWGC. Rachael's dedication to our community and conservative principles makes her an inspiring example for all.

## California Girls General Meeting At The Jalapeno Tree

The Republican Women of Gregg County met 7/17/23, at 11:30 am at Jalapeno Tree, on N. Eastman Rd, Longview. The speakers, ex-Californians, discussed reasons for leaving California and moving to Longview. The speakers agreed California was a beautiful state, but the political changes have made the state less enjoyable. Reasons were homeless encampments, squatters, open drug use, trash and debris, Proposition 47 approval, causing epidemic trends of smash and grab crimes when the felony was changed to a misdemeanor, if less than \$950 were stolen. Benefits of phone apps: Life After California, and the Next-Door app were discussed. The state, dotted with "sparkling cities were slowly falling apart." After a period, each speaker in search of a "better life" moved to Texas. Moving was difficult when leaving homes, jobs, family, and friends behind but have come to appreciate and call Longview, Texas home.
