

## REPUBLICAN WOMEN OF GREGG COUNTY

August 2023 Newsletter: Vol 2. NO. 8

Region 5 District 1

### The President's Talking Point

August and the heat of summer is upon us. And things are starting to heat up as we approach the 2024 election year. I believe this is the most important election cycle in my lifetime. I recall the following words: "And so, my fellow Americans: ask not what your country can do for you — ask what you can do for your country. My fellow citizens of the world: ask not what America will do for you, but what together we can do for the freedom of man." Yes, powerful words written by JFK in 1961, in a different time in American society, by a Democrat. Ask not what your country can do for you is now twisted by depending on big government to care for you. Ask what you can do for your country. He was correct then and these words are correct now. Freedom of speech, freedom of religion, the right to bear arms, and right to life, etc. are freedoms being chipped away strategically. Do stay informed of threats to your liberties. Do know that every conservative vote counts! By voting your voice is heard.

**Freedom Is Not Free.** We are celebrating local Veteran heroes November 4<sup>th</sup>, 2023, at Maude Cobb Convention Center. All RWGC members are asked to help get the word out and support this effort in some way, to honor our local Veterans by sponsoring their \$25 ticket to attend. See information about the event and how to obtain a ticket through the pre-registration form for the private event attached in this newsletter. If you prefer to pay online instead of sending in a check call 903 445 8627 for information. Look for updates on our [rwgctx.com](http://rwgctx.com) website. Buying/selling a ticket, donations to the silent auction or becoming a Tier Sponsor are options to support this fundraiser. **Goal: Sell 100 tickets by Aug 11<sup>th</sup>.**

God Bless You and America

### Legislative Update

Great News for Texans,

In a special session, the Legislators have passed the largest tax break in the history of Texas. Highlights of the bill include:

- Over \$12 billion will be spent on reducing the school property tax rate for all homeowners and business properties
- All homeowners who homestead their homes (5.7 Million homeowners) will get a \$100k homestead exemption
- Non homesteaded properties, valued at \$5 million or under, including residential and commercial properties will receive a 20% circuit breaker on appraised values as a 3 year pilot project.
- Legislation will also include saving on the franchise tax for small businesses and create a newly elected position on local appraisal boards

These items will be on this November's ballot as a Constitutional amendment, so make sure everyone you know goes out to vote. The Secretary of State has issued an order removing Texas from the Electronic Registration Information Center (ERIC) system. This is an Interstate cross check system that contains many flaws. The order was sent on 7/20 and will become effective 91 days from this date. This is pursuant to SB 1070 being passed in the 88th Session. The ACLU has filed a lawsuit seeking to prohibit the enforcement of Senate Bill 14, banning gender modification of minors. The suit is not unanticipated, and the Legislature and legal team are confident in the law and believe any attempts to overturn will be unsuccessful. Gov. Abbott has appointed a new interim Attorney General while Ken Paxton awaits his impeachment trial. Gov Abbott announced his Deputy chief of Staff Angela Colmenero would fulfill the duties effective July 14. Previously, Former Secretary of State John Scott served in this role for 7 weeks. Paxton was impeached by the House in May and his Trial in the Senate is Scheduled for September 5

#### Other news from Rhonda:

## CAMPAIGN ACTIVITIES

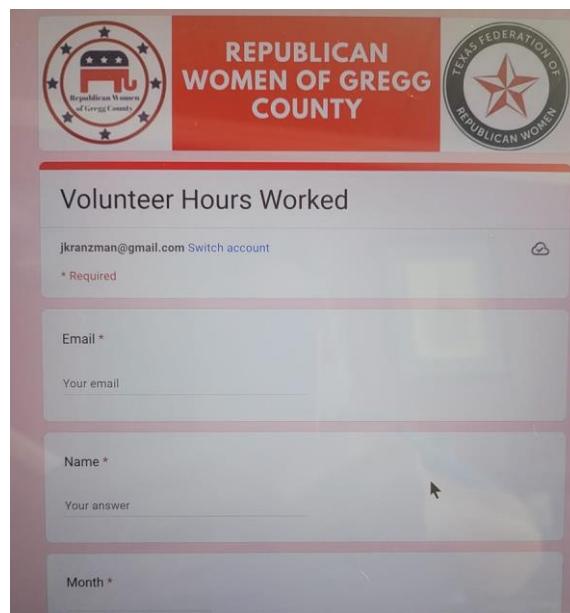

Jennifer Kranzman

Even in the lazy months of summer, campaign activities are ramping up for 2024. The election worker training for Gregg County is tentatively planned for Sept 16th but has not been posted yet on their website. If you would like to be a trained poll watcher where you watch the process of voting, give us your name so you can be approved by our county GOP Chairman. We have several precinct chair vacancies for precinct #3, #5, #6, #15, #17, and #21. If you are interested let Marty or Rhonda know. The following members are presently Precinct Chairs: Rhonda Anderson # 7, Dawn Barber # 9, Marty Rhymes #12, Nancy Holly #13, Jennifer Kranzman #18, Gwen Wuori # 20. There is training, networking, and meetings to help you understand the role. All precincts could use captains or helpers. If you want to be a part of putting America on a better conservative track, get involved. We cannot sit on the sidelines any longer. Do you see our conservative values slipping away? Hope you do not have to say, I wish I had been more involved.

Our Club Political Hours (1418) and Phone calls (264) were reported to TFRW for the 2nd Quarter. Top member with most hours and calls was your President. I am working free for you, our children, and our conservative voice. Please provide your volunteer hours/number-minutes of calls for July no later than August 5<sup>th</sup>.

## Membership Report

Tricia Oxton, 2nd Vice President

It's Back to School time for your kids and grandkids and the end of summer is just around the corner. Spend some special time with the kids in your life before they get busy again with school and all their activities. Be sure to plan your schedule to include our Republican Women of Gregg County's monthly luncheons, our monthly board meetings (where everyone is welcome) and to include time to prepare and participate in our special projects and fundraisers. We have several amazing events coming up this Fall! We need every member to do her part to make these events the best they can be.

Always remember –

Together Everyone Achieves More

At July's meeting , we had seven guests! They were: Kimberly Baron, Kristi Antonick, Darrin Rudolph, Nicole Tarpley, Kay Burton, Kay Neff and Jalam Lewis. We also gained a new Associate Member – Tony Barber! Thanks, Dawn, for signing up your husband as a new associate member.

Our current membership is still holding at 42, and our goal is 60 members. A little bird told me that we are expecting 2 guests at our August luncheon that are interested in joining us as new members. Be sure to introduce yourself to them and make them feel welcome to our organization.

This month we are  
celebrating one birthday:

HAPPY BIRTHDAY AND  
MANY BLESSINGS ON YOUR  
SPECIAL DAY!!

Joyce Hugman      8-22

## The Journey of "Sarge" A Service Dog In Training

Well, July 14<sup>th</sup> was Sarge's 5 month birthday. This birthday boy is growing a lot. He told me this heat is RUFF RUFF!! He also told me he has received several gifts. He listed his gifts as HOW TO: sit, down, stay, no jump, leave it, wait at door, silent wait hand motion like if on the phone, short come to sit, look at me, all in less than 3 weeks. Impressive. Sarge said he wants more and more gifts. We are presently looking for a woman veteran who will take Sarge to his forever home in a few months. Help Sarge out and get it touch with me (Tina McIlveene) if you know a woman veteran who can say "Sarge, you made my day". Please ask your pastor, home health or family nurse, neighbors, etc. if they know of someone who needs a doggie friend!!

Sarge wants to encourage everyone to be selling tickets or registering guests for the event on November 4<sup>th</sup>. For it to be successful we must ALL be out selling it and looking for sponsors.

## Meet Linda Lafferty

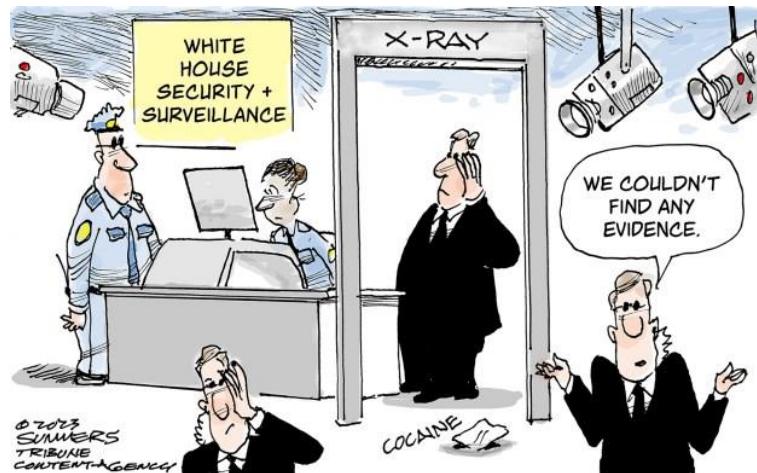

### Our New Literacy Chair

In 2020, I moved to Texas, with my husband, to escape the political woes of California, a state where my children were 5th generation born.

I have two daughters, Molly and Brandy, both Registered Nurses, who have moved to Longview and bought homes, as well.

We are all staunch Conservatives and proud to be here. Like the old cliche', we got here as fast as we could.

I was a member of the Visalia Republican Women Federated before coming to Texas. I'm looking forward to working with the Republican Women of Gregg County and hope I'm able to contribute to the continued effort to keep this wonderful state red!
