November 2023 Newsletter: Vol 2. NO. 11  
Region 5 District 1

### The President's Talking Point

I recently went on a trip that ended in Boston. I always wanted to study the history of our forefathers who blazed the trail for a more perfect union. We took an approximately 3.5 hr. walking tour called the Freedom Trail Walking Tour. We had a history buff for a tour guide who helped us to understand and appreciate even more what these brave men undertook. They stood up to a different kind of government that placed hardships on many in the name of the crown. The leaders of the past were tired of the tyranny of the monarchy and chose to do something bigger than themselves. They said, enough. I was given the role of Paul Revere during our walking tour and was honored to accept it. We saw Paul Revere's house, the Bell Tower, the graves of Quincy Jones and Samuel Adams and the spot where the tea was thrown into the harbor. Boy, all these men found their voice: "The British are coming," "no taxation with representation," "It does not take a majority to prevail... but rather an irate, tireless minority, keen on setting brushfires of freedom in the minds of men." Our guide is on the bottom right. Paul Revere's home ...well can you find it?

God Bless You and America

## CAMPAIGN ACTIVITIES

Jennifer Kranzman

When you attend a general meeting, there is a handout on the registration table that explains campaign hours. What counts? Sharing your volunteer, phone call and activism hours are vital to capture especially during election years. This information then serves the GOP by identifying weak campaigning around the country where resources should be sent to strengthen conservative viewpoints. For example, 1 hour of volunteering equates to about \$38 of money spent to keep faith, family, and freedom values alive. We collect hours on the 5<sup>th</sup> of each month for the previous month. If you turn your hours in monthly, you are more likely to remember all the volunteer hours you provide. If you are not sure what activities count, pick up a packet at the next general meeting. To recap do not forget your travel time and time spent related to the club, your research of political issues at the local, state, or national level, planning, securing sponsors or tickets for our fund raiser, not to mention any phone calls related to the club or of a political nature. iPhone and Android phones log your time on each call you make by date. Look under info for the details of each call and total your minutes and number of calls every month. You can also list your volunteer hours on the General Meeting Sign In page if that works best for you. If you have already sent hours in, thank you. Because of our club members' hard work on campaign activities, we were able to secure a TFRW and NFRW recognition award. Most clubs vastly underreported the hours their club members contribute each month. Have you forgotten to turn in hours?
