### PROGRAM & SPECIAL EVENTS – RHONDA ANDERSON

September meeting speaker was Kori Peterson, with [ivoterguide.com](http://www.ivoterguide.com). She presented how the guide works and how detailed each candidate is across the country. This is a great way to get a rating on how conservative the Candidates are; to learn more visit: <http://www.ivoterguide.com>. Jalam Lewis spoke on behalf of Judge Nathaniel Moran, Candidate for U.S. Congress District 1. He thanked the members for their support and encouraged the club to continue their work of Knocking on doors and getting voters to the polls.

TFRW Board meeting and Tribute to women Luncheon was held in Georgetown Sept 15-17th. Our Club nominee was our Treasurer Gwen Wuori. She was recognized with a certificate on stage.

Our Vice President of Programs, Rhonda Anderson was appointed to serve as the new TFRW Sponsorship Chair, serving in this role until the next TFRW Convention in the fall of 2023.

### I AM A REPUBLICAN BECAUSE

**I BELIEVE** the strength of our nation lies with the individual and that each person's dignity, freedom, ability, and responsibility must be honored.

**I BELIEVE** in equal rights, equal justice and equal opportunity for all, regardless of race, creed, age, gender, national origin, or disability.

**I BELIEVE** that free enterprise and encouraging individual initiative have brought this nation opportunity, economic growth, and prosperity.

**I BELIEVE** government must practice fiscal responsibility and allow individuals to keep more of the money they earn.

**I BELIEVE** the proper role of government is to provide for the people only those critical functions that cannot be performed by individuals or private organizations, and that the best government is that which governs least.

**I BELIEVE** the most effective, responsible and responsive government is government closest to the people.

**I BELIEVE** Americans must retain the principles that have made us strong while developing new and innovative ideas to meet the challenges of changing times.

**I BELIEVE** Americans values and should preserve our national strength and pride while working to extend peace, freedom and human rights throughout the world.

**FINALLY, I BELIEVE** the Republican Party is the best vehicle for translating these ideals into positive and successful principles of government.
