## **HAPPY NEW YEAR!!!**

As we welcome a new year, I am deeply honored and grateful to begin my service as President of Republican Women of Gregg County. Together, we step into this season with renewed purpose, shared values, and a strong commitment to both principles and people.

While we are proud to be a political organization grounded in conservative values, we are also, and just as importantly, a service organization. Our work extends beyond meetings and elections into the heart of our community. We stand alongside our veterans, support our schools, partner with hospitals and healthcare professionals, and serve our neighbors in meaningful and compassionate ways.

Republican Women have always been leaders - women of courage, conviction, and service. In the year ahead, may we continue to strengthen our organization, support one another and be a visible force for good in Gregg County. Together, we will serve with integrity, lead with heart, and make a lasting difference.

As we look ahead, I believe this year calls us to be especially mindful of mental health and healthcare - for our veterans, our first responders, our educators, our families, and one another. Strong communities are built when we care for both the mind and the body, and when we lead with empathy, compassion, awareness, and action.

Wishing each of you and your families a healthy, hopeful, and blessed New Year!

**Linda Bobo, President  
Republican Women of Gregg County**

## Legislative Update

### Congressman Nathaniel Moran

This week, House Republicans passed [H.R. 6703](#) – the *Lower Health Care Premiums for All Americans Act*. **The goal of this legislation is straightforward: lower healthcare costs for every American, not just the 7% who are using ACA plans—and certainly not the big insurance companies, who are the ones that have been benefitting the most from the bad policies of the past.** The *Lower Health Care Premiums for All Americans Act* will drive down health care insurance premiums while also protecting our pro-life values. **All Americans deserve a health care system that puts patients first. This vital legislation provides more access, more choice, and more affordable, quality care.**

Here are the common-sense health care solutions included in this bill:

- Lowers premium costs by 11% through cost-sharing reduction payments.
- Brings Pharmacy Benefit Manager (PBM) transparency and removes hidden costs of prescription drugs.
- Allows small business owners and independent workers to form association health plans.
- Provides more choices for employers to customize their health care plans.
- Protects small businesses from costly regulatory overreach.

This bill lowers health insurance premiums by helping working families who rely on Affordable Care Act (ACA) coverage. It strengthens cost-sharing support that lowers deductibles, copays, and out-of-pocket costs. Independent estimates show this approach reduces premiums by roughly 11 percent.

It also increases transparency around Pharmacy Benefit Managers so that employers are able to negotiate better contracts with health plans. By requiring clearer reporting and accountability, this bill helps ensure savings go where they belong and help keep drug prices and premiums in check.

Just as important, the bill restores and enforces long-standing Hyde protections to make sure that taxpayer money is not used for abortions. The Affordable Care Act was written in a way that allowed taxpayer dollars to support insurance plans covering elective abortion, despite claims to the contrary. **This legislation ensures cost-share reduction payments cannot be used to pay for abortions or abortion coverage, while still lowering costs and protecting access to care.** That is the principled approach East Texans expect.

### **Meet Teresa Cook** **1<sup>st</sup> Vice President**

**Teresa was an Air Traffic Controller for almost 30 years. She married her high school sweetheart and together, they have raised a family.**

Since joining RWGC, Teresa has held the office of Secretary, and was just elected to her second term as VP of Programs. Teresa also stepped up to oversee check-in of more than 400 people at RWGC's November 1<sup>st</sup> Veterans Appreciation Event, "A Salute to Heroes" at Maude Cobb.

Teresa's message to fellow RWGC members:

"You don't have to have held a lot of important positions within our party, although we love those superstars! What we need are women willing to roll up their sleeves. Can you think outside the box? Are you looking for ways you can make a difference? This organization offers a variety of volunteer roles, and there is sure to be at least one that is a perfect fit for you! We will encourage you every step of the way."

"The best thing you can do is to be proud that you're a Republican and be prepared to tell others why, in an engaging way. Let's all do what we can to make the world a better place for our children and our grandchildren."

## Americanism

### Gail Apple - Chairman

The last line in the speech at the unveiling of the Statue of Liberty, October 28, 1886

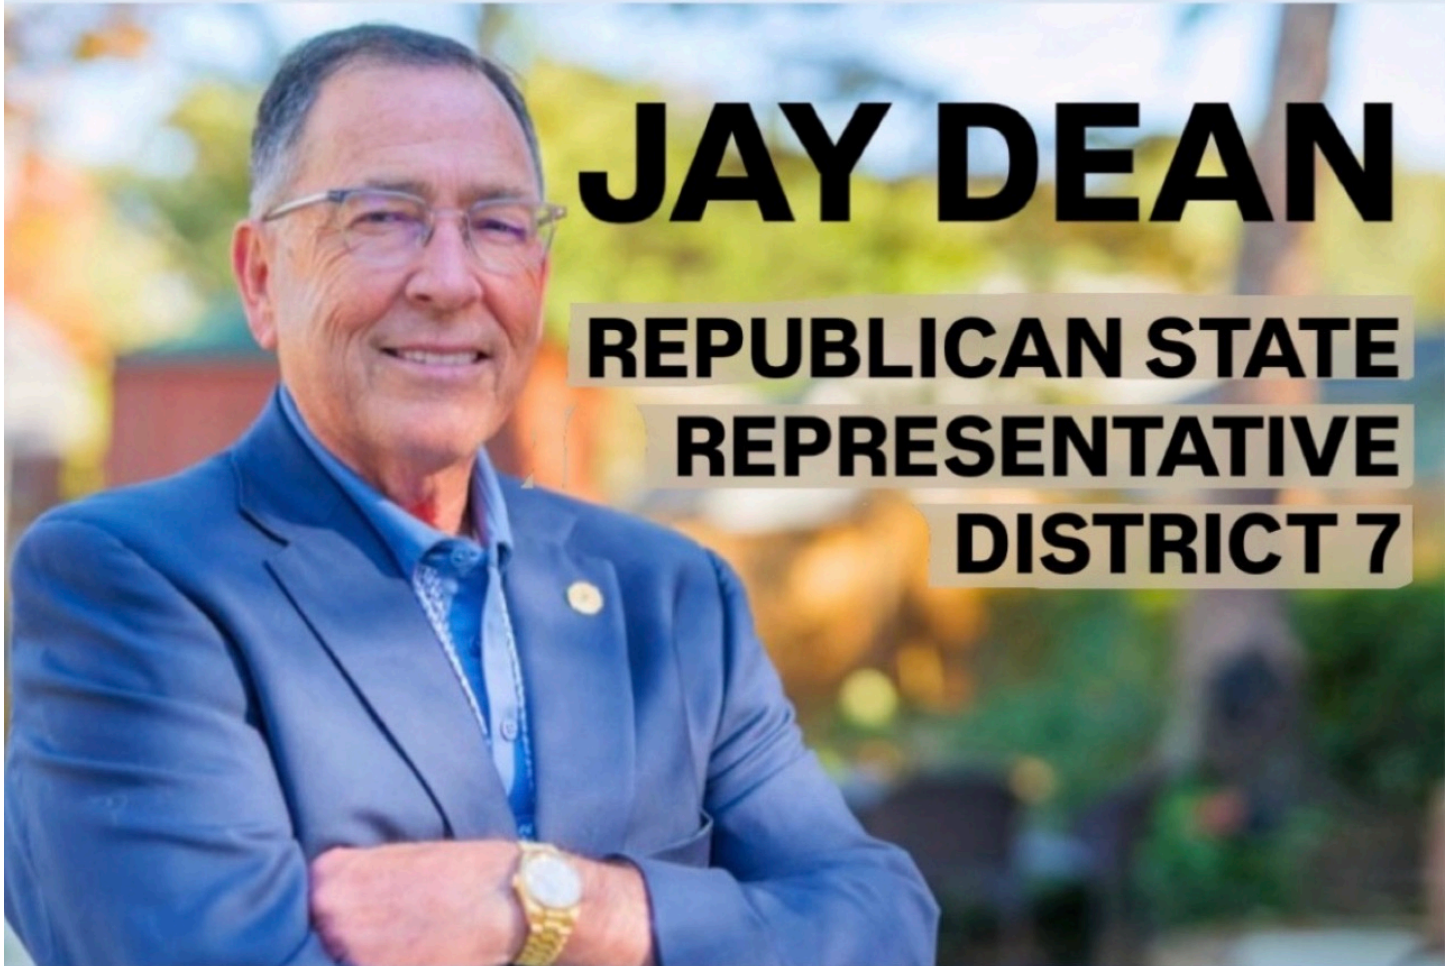

"There is room in America and brotherhood for all who will support our institutions and aid in our development. But those who come to disturb our peace and dethrone our laws are aliens and enemies forever."

- QUOTE ATTRIBUTED TO CHAUNCEY M. DEPEW, U.S. SENATOR AND LAWYER, KEYNOTE SPEAKER AT THE STATUE OF LIBERTY DEDICATION CEREMONY, OCTOBER 28, 1886

THIS QUOTE INDICATES A "STRICT SOCIAL CONTRACT" REGARDING IMMIGRATION, A MESSAGE THAT CONTRASTS WITH THE MORE UNIVERSALLY KNOWN SENTIMENTS OF LAZARUS'S POEM *THE NEW COLOSSUS*.  
("Give me your tired, your poor, your huddled masses . . .")
